

Royal Spanish Swimming Federation

Specific Action Protocol

XXIII SPANISH OPEN WATER SWIMMING CHAMPIONSHIPS

Banyoles, 18.19.20 June, 2021

1. DOCUMENTATION

1.1. Medical form

All participants (coaches, athletes, delegates) registered for the competition must present the medical form at the entrance of the facility for verification by the competition Doctor. The form will be sent by email.

1.2. QR code

Team staff and athletes will receive a QR code to access the facility, which will be activated after the competition doctor approves the medical form. All QR codes will be sent to the same e-mail address.

2. PROTOCOL

Team staff ratio = 1 team staff / 3 swimmers

2.1. Covid measures

It is compulsory to always wear a mask and to keep a safe distance. Athletes may only remove it when entering the starting pontoon. At the end of the race, a new surgical mask will be provided.

2.2. Marking

The numbers transfers will have to be placed on the athlete with the help of the team staff. There will be volunteers checking and helping as much as possible.

Transponders will be handed out AFTER the numbering process.

Checking of the feeding poles will take place at the same time as the delivery of transponders. An accreditation will be issued for access to the feeding area.

2.3. Competition

All the technical information about the competition can be found at the following [link](#).

3. SPAIN TRAVEL HEALTH

The measures for entering the country can be found on the ministry's website via the following [link](#).
